

Featuring...
Seasoned Iowa State University wildlife biologist
Jim Pease, PhD

--Environmental Literacy--

12 noon, June 4
Story County Conservation Board Meeting Room
56461 180th St., Ames

This presentation will be held prior to the REAP CEP Board's Review of May 2008 applications. All interested parties are invited to attend.

Learn about:

- 1) Iowa State University students' environmental knowledge and attitudes
- 2) Gaps in knowledge
- 3) Other important findings from ISU's literacy project

Dr. Jim Pease will also share his personal and seasoned opinion of how the findings should or could influence environmental education efforts throughout the state.

REAP CEP funded the ISU literacy project, "Measuring Environmental Literacy: Developing a New Survey Instrument for the Midwest."
